BIG KANSAS CITY FAILURE.

Bankers' Trust Company Forced by Clearing-House Action to Suspend.

KANSAS CITY, Mo., October 28.—The Bankers' Trust Company, with deposits of \$800,000, closed at 10:15 to-day. Cashier J. C. Hughes said that the bank had decided to close temporarily because the Clearing-House Association had refused to extend to it the privileges of issuing clearing-house certificates granted the thirty other leading banks here. The members of the Clearing-House Association to-day advised their correspondents in the Southwest by telephone to restrict payments to depositors until the present flurry had passed, and the indications were that this advice would generally be accepted.

A statement of the condition of the Bankers' Trust Company at the close of business last Saturday night showed: Loans and discounts, \$658,701; stocks and bonds, \$588,581; cash and sight exchange, \$114,647; deposits, \$798,246. The bank was closed at 10:15 and when the bank opened this morning.

Compliance with the spirit of the law and strict observance of its letter would be all that would be expected of the Georgia volunteers in time of peace.

STEAMSHIP TRUST IS NOW DISSOLVED

Consolidated Companies Will Not Be Reorganized, It Is Announced.

NEW YORK, October 28.—It was formally announced to-day that there would be no official reorganization of the steamship combination, which was organized by Charles W. Morse and his New England associates.

The names of the various companies and their management, however, will be in the hands of the interests that formerly controlled the lines. The offices of the Consolidated Steamship Companies in New York will be closed, and President Austin will make his headquarters in Boston.

In the future each line, it is announced, will look after its own equipment, including the new vessels now in the course of construction. The management of the combination, such as the Clyde Lines will be consolidated under the direction of H. H. Raymond.

The Santo Domingo service of the Clyde Line will be taken over by the New York and Porto Rico Steamship Company.

In a statement given out to-night by F. Kingsburg Curtis, counsel for the Consolidated Company, the steps that have been taken are self-evident. Recent occurrences with which all are familiar, have reacted on the securities of the combination, such as the fact that the holders are unable to use as collateral, therefore, it was deemed best to place men in charge of affairs whose names are a guarantee of able and conservative management. Even so, the combination is in first-class condition, and have at least a 6 per cent earning capacity. With the old management in control the public need have no fear that every obligation will not be met.

NO "NARROW WAY"

Mortals Who Seemingly Have Darkness More Than Light.

John Randolph, colored, was arrested last night on the charge of being disordered by the police. The arrest was made by Sergeant Tyler and Policeman Duffy.

W. Moseley, colored, was arrested on the charge of cursing and abusing and threatening to cut out W. H. Brauer.

George Jackson, colored, availed himself of a woman's utensils of war, and hurled a teacup at the head of his devoted spouse. Rachel's teacup was smashed to smithereens, and, not being able to stand such a waste of expensive chinaware, she had her George arrested to teach him a lesson.

William Henry was arrested on the charge of stealing 30 cents, plus a dollar, from one Pinkie Smith. Emma Hill, a woman negro of some thirty years, was arrested on the charge of cutting Charles Henry. She threw herself regretfully on the ground ready to die in the first Police Station, bemoaning the fact that the police had not given her time to put on clean clothes. She also stated that she regretted that they did not give her the time to make the change.

Eleanor Cousins, a wandering daughter of Ham, fell by the wayside last night, and Policeman Duggins and Andrews had to drag her in bodily to the First Station. She stretched herself on the pavement floor, and quietly went to sleep.

Oil Stove Causes Excitement.

The explosion of an oil stove in the basement of No. 717 Franklin Street early yesterday afternoon created considerable excitement on the corner of Eighth and Franklin Streets.

Some one promptly threw the little stove out of the window, and all danger was passed, but three engine companies and two truck wagons came puffing and blowing to the scene, expecting to see a tremendous conflagration. The firemen, however, were not needed at all, and, after due investigation, they left quietly. The fire all went up in smoke.

PROMINENT MAN DEAD

MAJOR JAMES HAMILTON CAPERS.

SCHOOLS CLOSE TO HONOR MAJ. CAPERS

Sudden Death of Public Spirited Richmond Man Causes Wide-spread Sorrow.

FUNERAL THIS AFTERNOON

Apparently in the best of health on the evening before, Major James H. Capers, one of the most widely-known residents of Richmond, died yesterday morning at 4:30 o'clock, at his home, No. 922 Floyd Avenue.

A man of fine business ability and of notable Confederate record, one who had served the city in the Council and its committees, and who had given largely of himself to the work of the public school system over a long period of years, Major Capers will leave a place which will be difficult to fill, and among none will he be so much missed as among the teachers and pupils of the Richmond schools, to whom he was ever an advisor, confidant and friend.

Major Capers was also prominent in Masonic circles, being past eminent grand commander of the Knights Templars of Virginia, also holding for many years with ability and fidelity a position on the board of vestrymen of Holy Trinity Church, where his funeral will take place this afternoon.

Served Through War.

Born in Georgia seventy-three years ago, Major Capers, when quite a young man, enlisted as a private soldier in the Twelfth Mississippi Regiment of the Confederate army. Later in the war he rose to the rank of major, and was assigned to duty at the headquarters of General Lee on whose staff he was serving as an aid at the surrender at Appomattox.

After the war Major Capers came to Richmond and embarked in the mercantile brokerage business in the firm which bore his name to the day of his death. After service in the Confederate army he became a member of the Richmond City School Board, in April, 1889, and continued until the death of Mr. Joseph C. Dickerson, from the board six years since, Major Capers became the chairman of the board.

For almost twenty years Major Capers made a continual fight for an adequate high school building, and it was his hope that he might live to see the new building completed. In fact the first resolution introduced by Major Capers in the Board, after his election in 1889, was a paper asking the City Council to appropriate \$100,000 for a new high school building. It is said to have been the most important effort that the business course was added to the curriculum of the high school. He also advocated the introduction of the kindergarten and manual training work in the public schools. During his long service of eighteen years on the School Board Major Capers missed hardly a half a dozen meetings of that body.

The board had passed and passed appropriate resolutions touching the death of its chief, and provided for a general observance of the day in the schools to-day, and for an attendance of a delegation from each school at the funeral.

As a Vestryman.

As a vestryman in Holy Trinity Church Major Capers had a scarcely less active and useful career, the completion of that edifice, the removal of the old church, and the construction of the church a few weeks ago, having been objects which were dear to his heart, and for which he had long worked.

Major Capers is survived by his widow, one daughter, Mrs. L. C. Stead, of Bon Air, and by three grandsons—Hunter Capers, Jr., Howard Stead and Robertson Capers, son of the late James H. Capers, Jr., who died last January. He also leaves one brother, William E. Capers, and one sister, Mrs. E. C. Jones, both of Quantico, Va.

Funeral To-Day.

The funeral will take place this afternoon at 3 o'clock from Holy Trinity Church, and will be conducted by Rev. J. J. Gray, the pastor.

The members of the City School Board will act as honorary pall bearers. The funeral will be held at the residence of the deceased, No. 922 Floyd Avenue, and from there will be removed to the church for the members of his Masonic lodge, and for delegates from the various schools. The following are the pall bearers: Lieutenant W. S. Archer, Maj. Drewry, John E. Robertson, T. B. Stratton, John M. Warren, A. W. Garber, Joseph W. Blagood and Alexander W. Leo Camp. The funeral will meet at Leo Camp Hall to-day at 2 o'clock.

SCHOOL BOARD ACTS.

Chorus of Children to Sing at Grave of Major Capers.

A special meeting of the City School Board was held last night to take suitable action in regard to the death of Major James H. Capers, chairman of the board. Mr. Charles Hutzler, vice-chairman, was taking the chair in a few well-timed and impressive remarks, announced the death of Major Capers, a committee, consisting of Dr. M. D.

Hoge and Messrs. Arthur B. Clarke and J. G. Corley, presented the following resolutions, which were unanimously adopted:

Resolved, That in the death of Major Capers the community has lost the services of a faithful and efficient public servant; that the public school system has been deprived of a loyal supporter, whose teachers have lost a sympathetic co-worker, and the pupils a well-remembered friend.

Resolved, That we deeply feel the loss of our friend and co-laborer, and shall miss the benefit of his mature judgment and the joy of social intercourse with him.

Resolved, That we desire hereby to express our heartfelt sympathy with his family in their deep affliction.

Resolved, That we attend the funeral in a body.

Resolved, That these resolutions be spread upon the records of the board, and a page suitably inscribed be devoted to his memory, and a copy of these resolutions be sent to the family and published in the daily press.

The School Board decided to attend the funeral in a body as honorary pall-bearers. A delegation, consisting of the principal, five teachers and ten scholars, from each of the schools, will attend and occupy seats to be reserved for them in the church. Mr. J. C. Harwood was requested to take charge of the arrangements in behalf of the board. A chorus from the High School will sing a selection at the grave. The members of the chorus are requested to meet at the High School building this morning at 10 o'clock.

Following members of the board were present: Messrs. Charles Hutzler, vice-chairman; John Bagby, W. Floyd Reams, Roland H. Childrey, M. D. Hoge, Jr., P. Ebel, A. E. Clarke, J. G. Corley, W. F. Fox, superintendent; A. H. Hill, assistant superintendent; C. P. Walford, clerk.

Mrs. Albert Cottle, of Washington, D. C., who has been visiting friends in this city for several weeks, has returned home.

A mass meeting of all denominations of Richmond and vicinity was held at the Second Presbyterian Church Sunday afternoon at 4 o'clock in the interest of the interdenominational missionary institute, which will

be held in Richmond, November 19th, 20th and 21st. The institute offices, in the Second Presbyterian Church, will be open daily from 3 to 6 P. M. until after the 21st.

The Catholics of the city will celebrate All Saints' Day on Friday. This is one of the most important festivals of the church, and there will be special masses for the occasion. On Saturday, All Souls' Day, services will be held in all the churches and at the cemeteries.

Richmond Hive, No. 3, Lady Macabees, will be entertained at Fraternity Hall this evening at 8:30 o'clock. The entertainment is given in honor of the lady guards who took part in the competitive drill at the Jamestown Exposition. Only members and specially invited guests will be present.

Policemen Wiley and Folkes have been appointed to fill the positions in the detective department made vacant by the absence of Sergeant Wron and Bailey, who are now on their way to England to bring back Charles Miller, wanted in Virginia for alleged baggage thefts.

Medical College of Virginia Fraternity Give Enjoyable Dance.

The Phi Beta Pi Fraternity of the Medical College of Virginia last night gave one of the most enjoyable gatherings of the season in the Masonic Temple. Many visiting alumni and Phi Beta Pies of other colleges were present, there being thirty-four couples on the floor. The music was excellent, the band being placed behind a bank of ferns on a raised dais, whence the strains proceeded without the players being seen.

Refreshments were served at 12 o'clock, and then the dancing continued to 3 o'clock. The gathering was successful in all its features, and was thoroughly enjoyed by all present. At the close the members of Phi Beta Pi gathered for their yell, which they gave in good style. It was the coming out of the evening with as much abandon as those who were older in fraternity life. Dr. and Mrs. St. Julian Oppenheimer acted as chaperons. Those dancing were as follows:

Miss Sallie Harris and Mr. J. M. Coppenhaver, Miss Mamie Black and Thomas Sheffield, A. C. Sweeney and Miss Grace Sheffield, A. H. Hoge and Miss Grace Sheffield, J. Henry Thompson and Miss Caroline DeJarnette, J. N. Summerman and Miss Hazel Thornton, J. S. Willis and Miss Maudie Chevening, Dr. D. M. Burton and Miss Charlotte Thompson, Miss Helen Thompson and M.
